## CAPTAIN'S REPORT

In my last Report before Christmas, the snowy weather was just around the corner, well, since then we have also had more than our fair share of wind and rain!! Remarkably, the course and especially the greens are still playing exceptionally well. Unfortunately, the weather has curtailed some of our golfing and social occasions, but we have still managed to complete our Mid Sussex League Winter matches. One victory over Ifield with three narrow defeats – whether these results will leave us propping up the league we will discover at Finals day at Haywards Heath early next month.

The Ladies and the Men's teams have progressed to the next round of the Mail on Sunday competition, so well done to them and I wish them good luck in the next series of matches. Apart from that things have been reasonably quiet on the competitive inter-club golf front.

Alan Gower is busy as usual, arranging and rearranging the Seniors' matches, more news on these later.

We were very pleased to entertain the Scotland Elite U16 Boys team to the club for a match against Sussex U16's. Whilst the Sussex boys lost by the slim margin of 4 ½ to 5 ½, I am sure that everyone enjoyed the occasion, the course and the catering. Having said that,

unfortunately the weather for the match was inclement to say the least, driving rain and very cold, like Scotland I suppose! At least the youngsters got a game, and our members Matt Greenfield and Marco Penge both won their matches. Well done.

It seems like a long time ago, but my thanks to George Eves for organising a very enjoyable event in the clubhouse, to welcome in the NEW YEAR! The food, the drink and the entertainment provided by the 'Desperate Hurstwives' was spot on. The 85 or so members and guests who attended had a very enjoyable time.

My thanks also to Doreen Shafer and her boys, Messrs Aitken, McNeil and Marshall, for arranging a 'Burn's night' celebration that was reclassified as 'Scotland on a Plate'. Unfortunately I could not attend this event but my gastronome spy advises that the catering and sociability of the occasion were first class. There was a sing-along ('The pretenders') and a joke telling session! A good time was had by all. Thanks, especially Nigel and to his team in the kitchen and the bar.

Whilst on the subject of food, dining and drinking, we held my daughter's 18<sup>th</sup> Birthday...

(Continued on next page)

No. 01444.242101

## CAPTAIN'S REPORT (Continued)

..... meal at the club recently and I have got to say it was a great occasion. So, if any of you avid readers out there need a recommendation for a venue for a particular celebration, then take it from me, value for money and quality you'll struggle to beat what's provided by Nigel and his team at the club. See him if you want to book the Dining Room for that special meal with your family and friends.

Please see the Captain's Notice Board for details of all Social events that are being planned:

**26<sup>th</sup> March** Quiz Night

**9<sup>th</sup> April** Golf Match Saxons v Celts  
(tee reserved 8.15-12.30)

**22<sup>nd</sup> April** Golf Match President's team v  
Captain's team  
(tee reserved until 1300 hours.)

**28<sup>th</sup> May** Social Evening, live  
entertainment and dancing with Des  
Desmond!!

I have booked Wickwoods (now under new management) for the Pyecombe Ball on 15<sup>th</sup> October. I know, like me, many of you would have liked to utilise our own club premises for this event, but frankly I could not see the event working in our confined space, for the numbers we would hope to accommodate. Options to erect marquees on the putting green etc were discussed, but the expense and the possibility of inclement weather etc etc, persuaded me that whilst our clubhouse is great, it's not really designed to stage such an event. So, Wickwoods it is and I hope to see many of you there. I am very impressed with the way the new owners are carrying out renovations and improvements and I am confident that they will

provide us with an evening to savour – more details soon.

It has been necessary to remove the pool table from the clubhouse, as the only satisfactory storage area was in the dining room. The table was not in frequent use and its presences was blocking an area near a radiator.

Finally, I would like to thank John Wilkinson for all he has done for the club, as Managing Secretary, over the last 4 years or so. John had always planned to 'retire' from his duties during this year, but his decision has been slightly hastened following his wife Sue's serious

illness. I gather, thankfully, that Sue is now well on the road to fitness again and naturally we all wish her a full recovery.

John left his duties at the club last week, and we welcome his successor, club member Alan Davey. Alan has been in the office over the last couple of weeks, taking over from John. We wish him well in his endeavours, in trying to keep all aspects of the club glued together!

There is undoubtedly a lot more I should have mentioned in this section, but for the moment that's all from me, apart from my thanks to you all for the support so far received and look forward to seeing you around the course and in the club house. Pyecombe is a great club and a wonderful course – recommend it to your friends.

*Peter Gavin*

The only brave souls on Pyecombe Course on Christmas eve.

## LADIES SECTION

Congratulations to the Mail on Sunday team for winning its first round match, 3<sup>1/2</sup>-1<sup>1/2</sup>, against Haywards Heath. Sadly the team was defeated in the second round, paddling around in appalling underfoot conditions at Singing Hills - how lucky we are to be members of Pyecombe GC! Well done, ladies, for all your efforts – we wish those still suffering, a rapid recovery from trenchfoot!

We wish Joanna Greenstreet and Pam Perry well in their first round match in the Daily Mail Foursomes at home against Lewes on 4<sup>th</sup> March.

I am delighted to announce that we have already raised over £1000 knitting and selling scarves on behalf of our Captains' Charity, Macmillan Cancer Support. A big thank you to all the knitters and also to those who have purchased scarves and sold them to friends. We are still knitting! We have already surpassed our expectations, but onwards and upwards – let's see if we can raise £2000.

We are hosting clothes sales (High Street names, M&S, Wallis, Monsoon, Next and many others, at up to 70% reductions) on both Sunday 20<sup>th</sup> March and Tuesday 22 March (at noon). This is also in aid of our Charity. All members are welcome. Male members, please invite your wives, partners and friends – it's not compulsory for you to attend!

I wish all our teams success in their forthcoming matches.

*Carol Crothers*  
Lady Captain

---

## BRIGHTON & EASTBOURNE SENIORS WINTER LEAGUE

Continuing their matches in the winter league Pyecombe Seniors have played home and away games against Peacehaven golf club. The first match was home at Pyecombe on 31<sup>st</sup> January and the return away match not until 3<sup>rd</sup> March. The results of the matches are recorded below together with PGC players' names.

<b>Home</b>		<b>Away</b>	
George Eves & Neil Beard-Neilsen	won 3-2	George Eves & Neil Beard-Neilsen Cpt	halved
Ken White & Roger Benjamin	won 5-3	Ken White & Roger Benjamin	lost 1 down
Andy Munday & Chris Muschamp	halved	Peter Gavin & Stan Green	lost 2-1
Barry Wood & Len North	won 6-5	Mick Green & Reg Aucherlonie	lost 1 down
Alan Gower Cpt & Andy Belenkin	<u>won 3-2</u>	Ted Whitbourn & Chris Muschamp	<u>lost 1 down</u>
	<b>Won 4 1/2 - 1/2</b>		<b>Lost 4 1/2 - 1/2</b>

### OVERALL RESULT 5 Games Each

In the away match although all the games were very close, local knowledge prevailed and Peacehaven got their revenge.

*Alan Gower*  
Pyecombe Seniors Team Manager

\*\*\*\*\*

## **From the Chairman**

During the last month your Management Committee investigated the option to purchase a local golf club. Following our initial investigation we concluded that it was not in the best interests of the club's membership and the project has been abandoned. Your Management Committee will continue to look for opportunities that would give added value to the membership.

As has been previously announced our Managing Secretary John Wilkinson has decided to retire from the post. John has been a tremendous Secretary and we wish him a happy retirement. John will still be around and I'm sure that his family will enjoy the extra time that he can now give them.

I'm pleased to say we have appointed Alan Davey as our new Secretary and he will officially start from the 1<sup>st</sup> March. During February there have been a number of meetings between John and Alan to ensure a smooth transition. Budget constraints meant that we were not able to make this a full time roll and find an all-embracing Managing Secretary as a direct replacement. A re-organisation of responsibilities has therefore taken place with the effect that members of the Management Committee will take direct responsibility for their respective areas. This means that the Management Committee will be able to operate more efficiently with subsequent benefit to members. In recognition of this extra responsibility the Head of Golf (HOG) and Head of House (HOH) have been made honorary positions for this coming year. The overall effect is a considerable financial saving to your Club. The above arrangements will be run on a temporary basis for at least a year before being put to the membership for approval.

Club finances continue to be weak. Our need for caution with expenditure will continue and will be restricted to the budget that was set by last year's administration.

Your Marketing Committee met at the beginning of February and have agreed a strategy that will include extensive advertising to encourage new members. Further discussions are to take place as to how we can increase Society and green fee use, particularly during quiet periods. The best recommendations for prospective members come from within so please mention the great virtues of your club and that roll-ups for new members do exist. Ask a committee member for more information.

Some minor changes are starting to take place in the clubhouse and it is hoped that they have been noted. Head of House Chris Openshaw will mention more in his section.

I would like the club to make greater use of electronic services. We spend a considerable amount of money on postage, paper and time, particularly before the AGM. With your agreement I would like the club to send you information by e-mail, which will include the Ups & Downs. Could I ask you therefore to ensure that your latest e-mail address is on the Club's web site and if not ask the office to update it. I realise that not all members have e-mail addresses so could I ask you to also let the office know this as well so it can be recorded. Special arrangements can then be made when appropriate.

***Len North***

## **Golf Poem**

In My Hand I Hold A Ball,  
White And Dimpled, Rather Small.  
Oh, How Bland It Does Appear,  
This Harmless Looking Little Sphere.  
By Its Size I Could Not Guess,  
The Awesome Strength It Does Possess.  
But Since I Fell Beneath Its Spell,  
I've Wandered Through The Fires Of Hell.  
My Life Has Not Been Quite The Same,  
Since I Chose To Play This Stupid Game.  
It Rules My Mind For Hours On End,  
A Fortune It Has Made Me Spend.  
It Has Made Me Yell, Curse And Cry.  
I Hate Myself And Want To Die.  
It Promises A Thing Called Par,  
If I Can Hit It straight And Far.  
To Master Such A Tiny Ball,  
Should Not Be Very Hard At All.  
But My Desires The Ball Refuses,  
And Does Exactly As It Chooses.  
It Hooks And Slices, Dribbles And Dies,  
And Even Disappears Before My Eyes.  
Often It Will Have A Whim,  
To Hit A Tree Or Take A Swim.  
With Miles Of Grass On Which To Land,  
It Finds A Tiny Patch Of Sand.  
Then Has Me Offering Up My Soul,  
If Only It Would Find The Hole.  
It's Made Me Whimper Like A Pup,  
And Swear That I Will Give It Up.  
And Take To Drink To Ease My Sorrow,  
But The Ball Knows .... I'll Be Back Tomorrow.

**A recent study found the average golfer walks about 900 miles a year.  
Another study found golfers drink, on average, 22 gallons of alcohol a Year.  
That means, on average, golfers get about 41 miles to the gallon.**

**Kind of makes you proud – almost feel like a hybrid.**

\*\*\*\*\*

## HOUSE REPORT – March 2011

I write this with my fingers (and legs) crossed that the heating system holds up during what is hopefully the last of the cold weather. Last year's committee made a bold decision to go for a ground source heat pump instead of a straight replacement LPG gas boiler. This system together with the wet central heating system should prove a good investment in the future. There still some teething problems with the central heating but I'm confident with Colin Kemp's expertise we will sort them out for next winter. When I'm asked what was the specification for the heating system, I reply, "Just so that Mary Barnard doesn't complain". So far so good. Just a polite request however to members not to keep turning up the thermostatic valves on the radiators – it's a good game I know, but the Treasurer is complaining!

Frustrated by the sad appearance of the lounge Neil Beard-Neilson has organised a "painting party" and with the help of Mike G Price and Colin Prior he has set about brightening the place up. Neil has strong views that as we enjoy the benefits of a member's club we should be prepared to put something of our own efforts into the Club. Thanks to you all – we await the finished product.

Nigel has progressed his review of the Bar and Catering. Together with input from Roy Aitken he has decided that we remain a "free house" and not tie ourselves to a brewery. We have been approached by a couple of breweries to do this, each bearing gifts of some apparently attractive short term offers. However after taking advice from local publicans and also speaking with Harvey Smith we remain as we are with strong links to Harvey's (no connection) – who do not object to our selling guest beers alongside theirs. We have also retained our commitment to South Downs Cellars for our wine supply and you will have seen the new wine list and the monthly specials. South Downs Cellars now have two shops one in Hurstpierpoint and the other in Lindfield – try them out, tell them you are from Pyecombe Golf Club. Nigel has also revised the Bar food menu. I have already received complaints that the price of a cup of tea has gone down. OK, order two! Nigel is anxious to satisfy the demands of the members and to enhance the service – hence the free tea or coffee with a breakfast before 10.30 a.m. (N.B only with a breakfast). Please give him your support and helpful comments on the new menu.

We had a visit from the Mid-Sussex Council Licensing Officer a couple of weeks ago. We narrowly avoided a fine for serving him a pint because he didn't produce his identity as a Club member. We in turn said we would not prosecute him for trespass! However on a serious note, along with other clubs in the area, it appears we have been trading for some years under the wrong licence. To avoid these issues with our present Club Licence we will shortly be applying for a Premises licence. This will only involve an additional up front cost this year as for subsequent years the cost is the same. The new licence means (amongst other things) no restriction on opening hours – something which may please George Eves. In addition the new licence will assist the activities of the Marketing Group in attracting functions into the Club without the need for members to be present. In support also of attracting functions the committee have approved the capital expenditure of a folding, sliding partition to replace the curtain between the lounge and dining room. This will have sound attenuation properties and will reduce disturbances both ways. This partition should be in Mid-April.

A couple of other points – the pool table has gone and the coffee machine will be moved into the bar area by the chimney breast. This is to try to make the dining room more presentable for lunches and other events. To those members who have already used it at lunch time for casual lunches during the week - thank you. We are trying to make it less like a furniture store and more welcoming.

Finally thanks to Trevor Greenfield for resealing the men's shower floor. All that remains is to thoroughly clean it. I'll keep saying it – any comments, suggestions, offers of help please let me or other committee members know. To date Terry Reilly has made his known, on more than one occasion, I await to hear yours.

*Chris Openshaw* - Head of House

## **GREENS – March 2011**

Spring is a time that has much promise and expectation about it. Everyone is looking forward to the new season, after a long winter, but at this time of year patience is called for, as things will only improve with better, more prolonged periods of warmer, sunny weather.

By protecting the grass during this period, when things do come together, the grass responds much quicker, and with a little fertiliser, and some topdressing, surfaces should start to improve. Lots of aeration work carried out at the right time will help to relieve winter compaction and warm up the soil, as air warms more quickly than water, and hopefully will encourage some early growth.

### **IRRIGATION**

New irrigation pipe-work and sprinklers have been installed to the 6<sup>th</sup> ladies tee, the 8<sup>th</sup> White tee and a new electrical wire installed for repairs at the 16<sup>th</sup> Green. This will enable us to keep better surfaces on these two tees than was achieved last year, when there was considerable loss of grass cover due to drought stress.

### **COURSE IN GENERAL**

The edges of the course will be worked upon in the next few weeks, especially the woodland edges, to help stop any further tree encroachment by removal of some of the scrub (tree saplings/brambles). Some scrub removal has been done, with a big swathe removed to the left of the 7<sup>TH</sup> tees. This will allow more light to penetrate into these areas and allow air movement over the tees to help create better growing conditions and help improve the quality of these tee surfaces.

The South Downs volunteers are due up again soon to help remove scrub along side of the 10<sup>TH</sup> hole. They have already helped with gorse regeneration on the 6<sup>TH</sup> hole this year, along with some hazel coppicing below the 3<sup>RD</sup> winter tees to encourage light into the wood for wildflowers and associated wild life

Also work is to be carried out on the rough grass areas of the course. These areas are to be scarified and the grass debris removed. Most of the top growth was removed at the end of the summer, but this time some of the turf base is to be opened up. With nutrients removed and the base exposed, wild flowers and finer grasses will be encouraged at the expense of weeds and coarser grasses. This treatment will also encourage a thinner sward, helping with ball retrieval but keeping the pleasing visual effects of the long grasses.

Last year we did sustain some grass thinning on the fairways due to the prolonged spring / summer drought conditions. So this year we have tried to concentrate on doing more aeration work on the fairways to help encourage better rooting and subsequently better top growth for the coming season.

Turfing repairs are on going around the course where animal damage has occurred

*Simon Wells*  
Head Greenkeeper

\*\*\*\*\*

## **Scotland On A Plate**

Take six Scots, ask them to say a few words during a Scottish meal (just before Burns Night) and the result was a “Real Guid Nicht”.

Mr Neil Gow recited ‘To A Mouse’, a fine Burns poem known to most Scots since childhood. Mr Barnard assisted with his English interpretation for the benefit of the other guests. The result caused much hilarity especially when his and Mr Gow’s passion for Brighton F.C. was brought into the analogy. How did that happen?

The next contributor was Mr Marshall who delivered an animated version by Leslie Davidson of Tam O’Shanter, the golfer. A humorous parody or perhaps a modern parable!

Encouraged by the warmth in the room left by the laughter and bon homie from the English diners, shyness which might have prevented Mr McNeill and Mr Aitkin from saying many words disappeared and we were very entertained. Jokes flowed and then abetted by Messrs Schwartz, Dossetter and Doughton, the English took advantage of the situation and joined in.

Mr Aitkin’s kind, gentle and loving toast to the ladies present almost brought tears to Mrs Marshall’s eyes when she had a few words to say in reply.

We closed the evening with a little singing in our usual fashion. Perhaps we did miss our accordionist to keep the time but everyone tried their best.

The meal provided by Nigel and his staff was excellent.

My thanks to everyone involved for their enthusiasm in expanding a few ideas into a very enjoyable evening.

*Doreen Shafer*

\*\*\*\*\*

## GET READY FOR THE NEW SEASON

The weather is starting to improve, the daffodils are coming out, the Masters is just around the corner and so the new golf season is almost upon us. This is a good time to make sure all your equipment is in good condition and your game is up to scratch.

- 1) **Check your grips:** You can prolong the life of your grips by occasionally cleaning them in soapy water, (Washing up liquid is fine) rinsing them clean and then towel dry them. This helps to get the dirt out of some of the indentations in your grips and will provide a little more tackiness. Grips should ideally be changed every couple of years depending on how often you play. We offer a next day service in the Pro shop and have an extensive variety of Golf Pride grips. **March special offer – 15% discount on 8 or more re-grips.**
- 2) **Check your shoes:** You have the option of putting soft spikes or metal spikes into your shoes. Many of you prefer metal spikes through the winter and soft spikes in the summer; personally I use the soft spikes all year round. Unfortunately all spikes tend to wear down fairly quickly and so need regular replacement. We can normally replace these whilst you're having a drink in the bar. If you are changing from metal to soft spikes for the summer and the spikes are reusable, we will save the spikes and swap them back over for the following winter for no extra charge. **New range of Footjoy shoes now in stock. Try the new reel fit shoes – I don't know of a more comfortable shoe!**
- 3) **Check your glove:** Some gloves I see being played with are really counterproductive. You would get more grip with your bare hands. I also see people using gloves that are far too big. A golf glove should be tight on your hand, almost like a second skin. Pop into the shop and we can help you to get the right fit. **March special offer – GTX gloves (RRP £9.99) 2 gloves for £16**
- 4) **Check your equipment:** We have the latest Titleist drivers now in stock. Titleist takes driver performance and fitting to a new level with the introduction of the 910 series drivers. The revolutionary new Titleist 910D2 and 910D3 drivers have quickly been adopted by Titleist's Tour staff players. [Rory McIlroy](#) has put the 910D2 into play, while [Ross Fisher](#) used the 910D3 to triumph at the Irish Open. The advanced technology 910D2 and 910D3 feature the most stable head designs Titleist has ever created, as well as the new SureFit Tour (SFT) dual-angle hosel. SFT is innovative, patented technology that allows the loft and lie to be independently adjusted and set. **Fantastic value - 910 drivers only £250 and demo clubs available to try in your Pro shop**
- 5) **Check your game:** Now is a great time to tidy up your game. Come and see me for a game M.O.T. We will have a look at your long game, short game and putting and give you a couple of tips on each area just to get you off on the right foot as spring approaches. **March special offer – 1 hour lesson only £25 for members. (Normal price £35)**

The Captain and I are now accepting challenges for the coming season. There is a list of dates up on the Captain's notice board. We will once again be holding a finals day later in the year. Thank you to those that have supported these matches over the last couple of years. They are a great chance for a sociable game of golf and at the same time raising much appreciated funds for the Captain's charity.

**The email database** that we use through the shop now comprises 250 members of Pyecombe GC. We use this to send out regular bulletins on upcoming competitions, to keep everyone informed on any amendments to the calendar, to let you know of any special offers or new products in the shop and to keep you all up to speed if there are any significant course interruptions. I see this becoming an increasingly useful tool in maintaining good lines of communication. If any members would like to be added to this database you just need to let myself or Michael know.

**Happy golfing everyone!**

*Jason*
